# JAIS tangguh akad nikah, sesi persekolahan

**SHAH ALAM:** Jabatan Agama Islam Selangor (JAIS) menangguhkan semua temu janji majlis akad nikah yang dijadualkan di Pejabat Agama Islam (PAID) Klang berkuat kuasa semalam.

Semua sesi persekolahan di bawah kelolaan dan kawalan JAIS di daerah Petaling turut ditangguhkan.

Pengarahnya, Mohd. Shahzihan Ahmad berkata, temu janji nikah itu melibatkan yang dibuat sebelum atau pada Rabu lalu kepada pasangan dari Zon Klang dan Zon Kapar.

“Ia berikutan penangguhan semua aktiviti di masjid dan surau oleh JAIS di seluruh daerah Klang yang dikuatkuasakan sejak Rabu lepas dan penguatkuasaan Perintah Kawalan Pergerakan Bersyarat (PKPB) pada Jumaat lalu.

“Sebarang temu janji akad nikah individu terlibat di PAID Klang akan dijadualkan semula,” katanya dalam satu kenyataan semalam.

Bagi persekolahan pula, Mohd. Shahzihan berkata, semua sesi di bawah kelolaan dan kawalan JAIS di daerah Petaling ditangguhkan sehingga 25 Oktober ini.

**MOHD. SHAHZIHAN AHMAD**

Menurutnya, penangguhan itu berdasarkan peningkatan penularan kes Covid-19 di daerah tersebut selain menjaga keselamatan para pelajar, guru, ibu bapa dan masyarakat umum.

“Sepanjang tempoh penangguhan aktiviti persekolahan bersemuka ini, semua pengetua, guru besar dan ketua guru hendaklah memastikan pengajaran serta pembelajaran di rumah dilaksanakan mengikut kesesuaian.

“Penangguhan ini berkuat kuasa sehingga terdapat arahan lain terbaharu daripada JAIS,” katanya.

## Selangor bantah PKPB

Oleh SITI ROHAIZAH ZAINAL  
 utusannews@mediamula.com.my

**SHAH ALAM:** Kerajaan Selangor terkejut dengan pengumuman pelaksanaan Perintah Kawalan Pergerakan Bersyarat (PKPB) di Kuala Lumpur, Putrajaya termasuk Selangor selama dua minggu bermula tengah malam ini.

Menteri Besar, Datuk Seri Amirudin Shari berkata, pihaknya baharu sahaja selesai mengadakan mesyuarat Majlis Keselamatan Negara (MKN) negeri bersama beberapa agensi termasuk Jabatan Kesihatan negeri, Polis Diraja Malaysia (PDRM) dan Angkatan Tentera Malaysia (ATM) berhubung situasi terkini Covid-19 di Selangor.

Menurutnya, keputusan mesyuarat menunjukkan hanya Klang, Gombak, Hulu Langat dan sebahagian Petaling yang mempunyai bilangan kes membimbangkan.

"Kerajaan negeri berpandangan beberapa kawasan yang masih dikategorikan zon hijau dan kuning seperti Sabak Ber-

nam dan Kuala Selangor adalah masih terkawal. Kita akan menghantar cadangan balas kepada MKN dengan segera agar dapat diberi pertimbangan semula.

"Malah, secara konsensus kita melihat ada beberapa ca-

dangan tertentu yang boleh dikemukakan kepada MKN untuk dipertimbangkan," katanya dalam satu kenyataan di sini semalam.

Amirudin berkata, kerajaan negeri berharap semua pihak bersedia dengan perubahan itu agar bersama-sama mengawal penularan Covid-19.

"Kerajaan negeri sangat menghargai komunikasi krisis yang lebih efektif dan konklusif melibatkan semua pihak.

"Ini adalah bagi memastikan sebarang ketetapan yang diambil tidak menghasilkan sebarang bentuk ketidaktentuan pelaksanaan yang akan memberi impak kepada petugas barisan hadapan dan rakyat, lebih-lebih lagi pengusaha industri kecil dan sederhana," katanya.

Terdahulu Menteri Kanan (Keselamatan), Datuk Seri Ismail Sabri Yaakob mengumumkan pelaksanaan PKPB bermula 14 hingga 27 Oktober ini melibatkan kira-kira 14.72 juta penduduk seluruh Selangor, Kuala Lumpur dan Putrajaya.

# Nasib tiga beranak tinggal di bangsal dapat perhatian

**KLANG** – Kesusahan tiga beranak yang terpaksa tinggal di dalam bangsal berhampiran Stesen Keretapi Tanah Melayu (KTMB) di sini yang disiarkan *Kosmo!* semalam mendapat perhatian pelbagai pihak.

Ahli Dewan Undangan Negeri Sungai Kandis, Mohd. Zawawi Ahmad Mughni, pihaknya sedang menyelaras bantuan terutama sebuah rumah agar S. Letchumi, 28, dan suaminya, M. Ngaraj, 38, dapat tinggal dengan selesa bersama enam anak mereka berusia enam hingga 15 tahun.

Katanya, bantuan itu diselaras dengan kerjasama pejabat Parlimen Kota Raja, Ahli Majlis Perbandaran Klang (MPK), Jabatan Kebajikan Masyarakat, Pengerusi Pertubuhan Dalam Komuniti Bandar Botanik dan Persatuan Kebajikan Suara Rakyat Selangor (SPV).

“Sejak menerima berita tentang keluarga ini, kita sedang berusaha menyediakan bantuan sepatutnya agar mereka dapat menjalani kehidupan yang sempurna,” katanya kepada *Kosmo!* semalam.

Sementara itu, Pengerusi Pertubuhan Dalam Komuniti Bandar Botanik, Datuk Nor Shahbudin Monil berkata, sebuah rumah transit sedang diuruskan dengan pihak MPK untuk didiami keluarga tersebut.

“Apabila kelulusan sudah diterima, mereka akan berpindah dan pihak kami akan berurusan

dengan pihak lain bagi menyediakan barang keperluan rumah,” ujarnya.

*Kosmo!* semalam melaporkan

nasib malang menimpa tiga beranak yang diumpamakan sudah jatuh ditimpa tangga apabila terpaksa menginap di bangsal selepas kehilangan tempat berteduh sejak Ogos lalu akibat kebakaran.

Lima daripada enam anak pasangan suami isteri itu kini ditempatkan di rumah perlindungan di sini, manakala anak bongsunya berusia enam tahun tinggal bersama Letchumi dan Ngaraj di bangsal tersebut yang dibina mereka di tapak asal rumah yang terbakar.

# Pengumuman PKPB kejutkan kerajaan Selangor

**SHAH ALAM** - Menteri Besar Selangor, Datuk Seri Amirudin Shari mendakwa pengumuman Perintah Kawalan Pergerakan Bersyarat (PKPB) yang dibuat oleh kerajaan Persekutuan di seluruh negeri ini agak mengejutkan.

**AMIRUDIN**

Beliau berkata, keputusan Mesyuarat Majlis Keselamatan Negeri (MKN) Selangor bersama beberapa agensi terdahulu menunjukkan hanya daerah Klang, Gombak, Hulu Langat dan sebahagian Petaling mempunyai bilangan kes yang membimbangkan.

Menurutnya, beliau baru sahaja mempengerusikan mesyuarat berkenaan bersama Jabatan Kesihatan Negeri Selangor (JKNS), Polis Diraja Malaysia (PDRM), Angkatan Tentera Diraja Malaysia (ATM) dan lain-lain agensi untuk pelaksanaan Pengumuman PKPB di daerah Petaling.

“Perlu dinyatakan bahawa sehingga hari ini (semalam) secara konsensus kerajaan negeri melihat ada beberapa cadangan tertentu yang boleh dikemukakan kepada MKN untuk dipertimbangkan.

“Kerajaan negeri Selangor berpandangan bahawa beberapa kawasan yang masih dikategorikan zon hijau dan kuning seperti Sabak Bernam dan Kuala Selangor adalah masih terkawal,” katanya dalam satu kenyataan di sini semalam.

Dalam pada itu, Amirudin berkata, kerajaan negeri Selangor akan menghantar cadangan balas kepada pihak MKN dengan kadar segera agar dapat diberi pertimbangan semula berhubung pelaksanaan itu.

“Kerajaan negeri berharap semua pihak bersedia dengan perubahan itu agar sama-sama kita berjaya mengawal penularan pandemik koronavirus (Covid-19).

“Kerajaan negeri Selangor juga sangat menghargai komunikasi krisis yang lebih efektif dan konklusif melibatkan semua pihak agar sebarang ketetapan yang diambil tidak menghasilkan sebarang bentuk ketidaktentuan pelaksanaan yang akan memberi impak kepada petugas barisan hadapan, rakyat dan pengusaha industri kecil dan sederhana (IKS),” katanya.

## MEMERANGI WABAK COVID-19

• REAKSI PKPB

Tindakan kerajaan melaksanakan PKPB di Selangor, KL dan Putrajaya adalah satu tindakan yang tepat. Semua pihak perlu mengikuti SOP yang telah ditetapkan.”  
 - Penolong Pengarah Bahagian Pendidikan Khas, Kementerian Pendidikan, Mohd Fauzi Isa, 46.

Saya yakin rakyat Selangor memang sudah jangka PKPB ini berlaku, jadi kebanyakan sudah bersedia menghadapinya. Harapan rakyat Selangor agar kita menang terhadap gelombang ini.”  
 - Pengerusi Pertubuhan Peduli dan Progresif Harmoni Selangor, Datuk Roger Tan.

Saya menyambut baik tindakan pihak kerajaan mengumumkan PKPB di Selangor, KL dan Putrajaya. Penularan wabak Covid-19 yang meningkat kebelakangan ini perlu ditangani dengan serius.”  
 - Setiausaha Politik Menteri Perumahan dan Kerajaan Tempatan, Nor Hizwan Ahmad.

PKPB di Selangor, KL dan Putrajaya wajar dilakukan kerana penduduk di kawasan ini adalah antara yang tertinggi, ditambah pula dengan peningkatan kes setiap hari di beberapa daerah.”  
 - Perunding Insurans, Kuala Lumpur, Suhaily Baharum.

Saya tak terkejut dengan pengumuman ini kerana kes Covid-19 di Selangor semakin meningkat setiap hari dan langkah bagi menurunkan kadar kebolehkangkitan ini memerlukan kerjasama semua pihak termasuk rakyat.”  
 - Pesara, Eileen Li, 73, Damansara Utama.

Sepatutnya sebarang tindakan PKPB dapat dibincangkan dulu bersama kerajaan Selangor atau yang berkaitan. Tanpa persediaan akan timbulkan suasana panik dan memungkinkan penularan wabak dengan lebih meluas. Adakah ada agenda politik untuk menghalang peralihan kuasa?”  
 - Ahli Dewan Undangan Negeri (ADUN) Meru, Mohd Fakhrurazi Mohd Mokhtar

Saya rasa langkah ini adalah wajar setelah berlakunya peningkatan individu dijangkiti Covid-19 walaupun ia sepatutnya dilakukan lebih awal. Justeru, untuk memenangi ‘perang’ ini, setiap orang mesti melakukan peranan mereka.”  
 - Pensyarah Kanan Program Eko-Teknologi, Fakulti Sains Gunaan, UiTM Shah Alam, Azrena Abdul Karim, 45.

Pada saya tak wajar PKPB dilaksanakan seluruh negeri sebab tak semua kawasan catatkan kadar kes Covid-19 yang tinggi. Pengumuman pun tak jelas. Kerajaan Persekutuan kata PKPB, kerajaan negeri belum lagi putuskan, jadi rakyat keliru.”  
 - Bekerja sendiri, Zainurizaman Moharam, 40, Subang Bestari.

Saya menyokong penuh usaha kerajaan melaksanakan PKPB bagi mengekang penularan Covid-19 di seluruh negeri ini ditambah pula terdapat peningkatan kes di seluruh negara sejak dua minggu kebelakangan ini.”  
 - Pekerja Swasta, Muhammad Putra Mohd Som, 25.

Setuju PKPB dilaksanakan. Peningkatan kes hari demi hari amat membimbangkan saya sebagai ibu kerana anak-anak bersekolah di sekolah rendah dan taska dan sangat terdedah dengan penularan Covid-19.”  
 - Penolong Akauntan, Nor Zafrina Zairuddin, 34, Putrajaya.

Saya memang sudah jangkakan kerajaan akan umum PKPB dalam masa terdekat berdasarkan peningkatan kes di Selangor. Pada saya langkah ini amat bertepatan bagi menghalang penularan wabak ini.”  
 - Pegawai Penyelenggaraan, M P Kumara Devan, 39, Sungai Buloh.

Pada saya pengumuman PKPB ini agak lewat kerana bilangan kes sebelum ini sudah terlalu tinggi. Saya rasa usaha untuk menangani penularan wabak ini perlu dilaksanakan segera.”  
 - Ahli Dewan Undangan Negeri (ADUN) Balakong, Wong Siew Ki.

### Paip pecah akibat pihak ketiga punca enam kawasan alami gangguan air

**SHAH ALAM** - Enam kawasan di wilayah Klang/Shah Alam mengalami gangguan bekalan air tidak berjadual melibatkan para pengguna di Seksyen 18, 19, 20, 23, 24 dan 25, Shah Alam malam tadi.

Pengurusan Air Selangor Sdn Bhd (Air Selangor) menerusi kenyataan memaklumkan, gangguan bekalan air berlaku akibat kejadian paip pecah di Jalan Persiaran Jubli Perak, Seksyen 24, Shah Alam disebabkan oleh pihak ketiga.

“Bekalan air akan ditutup pada jam 9 malam ini (semalam) bagi melaksanakan kerja-kerja pembaikan paip pecah tersebut dan ia dijangka siap pada jam 9 pagi esok (hari ini).

“Bekalan air di kawasan yang terjejas dijangka pulih sepenuhnya pada jam 3 petang esok (hari ini),” katanya.

Katanya, para pengguna akan menerima bekalan air secara berperingkat-peringkat berdasarkan

jarak premis dan tekanan air apabila bekalan air disalurkan semula setelah kerja-kerja pembaikan siap dilaksanakan.

“Air Selangor akan memaklumkan perkembangan kerja-kerja pembaikan paip pecah tersebut dari masa ke masa melalui semua saluran komunikasi rasmi Air Selangor di Facebook, Twitter dan Instagram serta aplikasi telefon pintar Air Selangor dan laman sesawang kami di [www.airselangor.com](http://www.airselangor.com),” katanya.

A LAWYER'S group is calling for the setting up of a national commission to champion the rights of disabled persons.  
 The group, known as the National Disability Rights Group (NDRG), says that the current provisions of the Persons With Disabilities (PWD) Act passed in 2008 was weak.  
 "It did not provide legal recourse for the disabled to seek justice when faced with discrimination," said Fpaz.  
 So the group is calling for the formation of a commission that is answerable to Parliament, with the role to advise on legislative proposals, on behalf of those groups, recommend law reforms, ensure enforcement of any relevant Act or any of the voluntary guidelines, high-light concerns and provide advice.  
 A member of the group, lawyer and Media Law Society of Malaysia (MELS) vice-president Tan Kai Han, said it was necessary to reform the PWD Act and better the enforcement of the act and the ability to well as provide a redress mechanism to those whose rights were violated.  
 "All civil laws were given broad categories of disabilities, including those with rare disabilities that are not covered by the existing disabilities and should be given equal rights," she said.  
 She said the Commission on the Rights of Persons with Disabilities (CRPD), an international human rights treaty, does not include mental, physical disability to include temporary disabilities too.  
 "I think the law reform would be to set up a National Disability Commission to provide advice and a place for persons with disability to go to for help.  
 "We have a national council that is not

bookkeeping service to the advantage of the disabled.  
 "The independent commission answerable to Parliament would be the way forward," she said.  
 She cited India as a good exemplary country which had a national and state commission.  
 She related the case in Malaysia about a blind person (Dr Ahmad Shaukri Mustamad) being denied a housing loan because of his disability.  
 In India, she said, a similar case was taken to court by the commission to change the

banking service to the advantage of the disabled.  
 "Following the complaint, litigation was initiated and a show cause letter issued to the Central Bank of India, which then came up with guidelines for all banks in the country."  
 She explained that the banks in India also had blind-friendly ATMs, Braille-friendly cheque books and financial services for the disabled.  
 "India also has special courts for the disabled. Reasonable accommodations was made to give the disabled rights equal opportunity,

the disabled to work in a bank for an up to 10 years."  
 "There was no report that was registered to her about even four years, despite the company being a signatory for the last 11 years," she said.  
 A member of the group is a solicitor, personality Rai Adina Baidi, who is the founder and chairman of non-governmental organisation (NGO) Doreen.  
 She said there were not many who believed that disabled persons should pay taxes.  
 "It was a watershed moment. Last time we were over 50,000 registered disabled persons in the country and I saw and people looked at them differently."  
 "We need to ensure it's a priority to get to be

empowered."  
 "We need to push for a committee to ensure that no one is left behind in everything being done."  
 "We do not do anything else, our next generation is going to ask us why nothing has been done," she said.

**Special focus needed**  
 Selangor State Action Council for the Disabled (SSACD) said that disabled people face on matters for the disabled and a commission could be formed to investigate the causes for the disability.  
 She said the needs of disabled persons related much to health, welfare and education, which were governed by separate ministries.  
 "There are very few persons who will undergo the medical side."  
 "Others of the disabled are parked under the Welfare Department, which is already burdened with matters concerning children, the aged and senior citizens."  
 "There are very few persons who are dealt with only when the need arises," she said and called for the end of the culture of referring to the disabled only when going out.

"Giving happens does not change lives."  
 "The disabled must have a single coherent mechanism to guide the government in providing effective and meaningful assistance such as building accessible toilet facilities for adults with disabilities," she explained.  
 Baidi described the PWD Act 2008 as a milestone right, as it marked a policy statement guaranteeing rights of the disabled and details of legal provisions for enforcement and penalties of compliance.  
 "With respect to the Infectious Act, a bill with similar powers like a Section Court will allow a reasonable and accessible process for the disabled to seek legal redress," she said.  
 It was noted that the CRPD was signed for Malaysia in 2007.  
 Malaysia signed it in 2009 and put it into effect in 2010 after passing the PWD Act in 2008.

The World Bank is reportedly investigating with a special ATM having Braille keypad and voice guide through headphones or earphone.

Dr Shaukri's housing loan application was denied verbally because of his disability.

Rai Adina Baidi now will believe that disabled persons should pay taxes.

Messi champions the need for the CRPD to ensure rights of the disabled are protected.

Adi says a commission will benefit the disabled now and those suffering from long-age illnesses.

Fahda says disabled matters are put under the already burdened Welfare Department.

Dr Shaukri's housing loan application was denied verbally because of his disability.

## MPK: Motorists going against traffic flow on one-way Lorong Tingkat

By EDWARD RAJENDRA  
 edward@thestar.com.my

MOTORISTS entering Lorong Tingkat's commercial area from Jalan Istana in Klang have been reminded that it is now a one-way street and not to drive against the flow of traffic.

Klang Municipal Council (MPK) Engineering Department (Road and Bridges Section) engineer Azman Wahid said motorists should follow the new traffic direction to prevent accidents on the single carriage-way.

"Our department has put up one-way road signage and painted arrows on the road but some motorists are adamant and choose to drive against the flow of traffic."

"Motorists are going the opposite direction because they want a short cut," he said.

MPK turned Lorong Tingkat into a one-way 240m stretch, from its entrance at Jalan Istana until the Kriya Babaji Ashram.

At the Kriya Babaji Ashram, motorists can turn left to make a loop to return to Lorong Tingkat or turn right to exit into Jalan Tengku Kelana.

Azman carried out an assessment on the traffic movement at Lorong Tingkat and a discussion was held with Kuala Lumpur and Selangor Indian Chamber of Commerce and Industry special task com-

mittee chairman NP Raman.

In the 45-minute feedback session, Raman said the council had put up a "no left turn" sign in front of Kriya Babaji Ashram.

"Motorists must be allowed to turn left to be able to make the loop into Jalan Istana and back into Lorong Tingkat."

"We must not inconvenience people coming into this tourist spot. Movement of traffic must be smooth," he said.

Raman added that a raised pedestrian walkway must be built at the exit point of Lorong Tingkat after the row of flower shops to prohibit vehicles from entering Lorong Tingkat from Jalan Tengku Kelana.

Azman and two assistant engineers, Shaharin Jamali and Azary Adnan, agreed with the proposal.

"Our workers will remove the 'no left turn' board and allow traffic to turn left and right."

"We will add more painted arrows on the road and use thermo-plastic road marking to paint the signs to improve visibility and make it safer at night," said Azman.

He said the reflective road markings were guide for drivers in what they could or could not do.

"Lorong Tingkat's one-way traffic movement will take effect from Oct 19 and council enforcement officers will monitor the situation," he said.

Mohd Zuki: Rotations, work-from-home to be used

**PETALING JAYA:** All government services will still be operational despite the conditional movement control order (MCO) which will come into effect 12.01am tomorrow, says Chief Secretary to the Government Tan Sri Mohd Zuki Ali.

According to him, government services will function as usual with the civil service's adaption of the rotation system and by working from home on a case-by-case basis.

Mohd Zuki said every department head must abide by the Public Services Department circular dated May 2 with the reference code of JPA.SARAAN(S)256/6/31JLD.6(6).

"Department heads must also use their discretion and consideration wisely on this matter aside from ensuring all health and safety SOP are fully abided by, such as temper-

ature screening, social distancing, wearing a face mask and providing hand sanitisers.

"This implementation is also used in any areas where conditional MCO is enforced," he said in a statement issued yesterday.

Mohd Zuki also said the usage of online apps would be given a priority to minimise direct services such as counter services and meetings, which is in line with the social distancing practice.

"The National Security Council will issue detailed SOP at the soonest time possible," he added. Following three-digit spikes in Covid-19 figures in recent days, the conditional MCO will be implemented in Sabah for 14 days beginning today till Oct 26.

Selangor, Putrajaya and Kuala Lumpur will also fall under the conditional MCO from 12.01am tomorrow to Oct 27.

The country has seen three-digit figures in daily Covid-19 infections since the Sabah state election concluded on Sept 26.

## ALLOWED and NOT ALLOWED activities during the CMCO in Selangor, Kuala Lumpur, Putrajaya and Sabah

 ■ Inter-district travel will not be allowed but employees who need to cross districts must have an authorisation letter from their employer or show their staff pass.	 ■ Only two persons from a household are allowed to go out to buy household essentials.	 ■ Schools, kindergartens, nurseries, institutes of higher learning, training skills institutes, taahfiz, public parks, recreational areas are to be shut.
 ■ Mosques, and non-Muslim houses of worship are to be closed.	 ■ Sports activities, recreational, social and culture including wedding ceremonies are not allowed to be held.	 ■ Entertainment centres and night clubs are not allowed to open.

### Additional conditions in Sabah

 ■ Wet and wholesale markets can operate from 6am to 2pm.	 ■ Grocery stores, convenience shops, supermarkets, stalls and restaurants will be allowed to open from 6am to 6pm.	 ■ Take away, drive-through, delivery services are allowed.
 ■ Pharmacies, drug stores and petrol stations' operating hours will be from 6am to 6pm.	 ■ Taxi, e-hailing and food delivery services are allowed to operate from 6am to 8pm.	 ■ Express bus, and non-stop bus are not allowed to operate.
 ■ Clinics and hospitals to operate for 24 hours	 ■ Activities in the fisheries, plantation and agriculture sectors are allowed.	 ■ Business, manufacturing and SMEs that need to operate can apply to the Sabah Disaster Management Committee.

COASTAL areas in Selangor are on alert as authorities have been told to be ready to respond to floods that may occur due to the high tide phenomenon that has sea waves of 5.7m to 5.8m in the forecast from Oct 17 to 19.

Selangor infrastructure and public amenities, agriculture modernisation and agro-based industry committee chairman Izhah Hashim said floods were possible if continuous rain coincided with high tide.

"Areas along Selangor's coast have been put on vigilant mode from Oct 17 when the forecast says tides will reach 5.7m at 6.11am, while on Oct 18, it is expected to hit 5.8m at 7.50am and on the final day, the tide will reach 5.7m at 7.27am," he said.

Izhah added that five districts, namely Klang, Sepang, Kuala Langat, Kuala Selangor and Sabak Bernam, had been identified as high-risk areas for flooding if the phenomenon was accompanied by heavy rain and strong winds.

Port Klang assemblyman Azmizam Zaman Huri advised residents in high-risk areas to always follow the instructions from security authorities in the event of flash floods.

"In Kampung Telok Gong, Port Klang, the Drainage and Irrigation Department strengthened the bund that saw water rising above it in last month's high tide and some houses were inundated," he said.

Izhah advised residents living close to the seaside and rivers to be vigilant and avoid boating activities, fishing trips and tours along the coastline.

On the high tide phenomenon expected to continue in November, the National Hydrographic Centre forecasts the tides on Nov 15 (at 5.44am) and Nov 16 (6.25am) to reach 5.6m.

"All district-level Fire and Rescue Department units, state Civil Defence Department and the Swift Action Taskforce (Pantas), which is a team that handles emergencies and disasters at local council level, will be on high alert," he said, adding that the Selangor government had raised the height of rock bunds and strengthened barriers at several locations.

Izhah said that while the state government was confident that the bunds or embankments close to the sea and rivers would hold up, the authorities were on alert as certain low-lying areas were at risk of flooding.

He said high-risk areas in Klang, Sabak Bernam, Kuala Selangor, Kuala Langat and Sepang were on the Selangor Disaster Management Unit's high-risk flood list.

The areas on the list in Klang are Kampung Tok Muda, Kampung Sungai Pinang in Pulau Indah, Pandamaran, Taman Selatan

Fire and rescue personnel surveying the coast along Port Klang prior to the high tide phenomena expected on Oct 17.

Damai, Port Klang, Kampung Sungai Serdang, Bund Sementa, Bund Sungai Keramat, Kampung Perepat, North Port, Telok Gong and Pulau Ketam.

In Sabak Bernam, the areas are Kampung Sungai Air Tawar, Bagan Sungai Besar, Tebuk Mendeleng, Pantai BNO, Sungai Lang, Pantai Bt. 23, Sungai Nibong, Kampung Sungai Tenggar, Parit Baru, Ildas, Politeknik Sultan Idris Shah Sungai Lang, Pantai Bedena, SMA Pasir Panjang-Kampung Pasir Panjang, Bagan Sekinchan, Bagan Sungai Burong (Parit 3 dan 4), Jalan Seri Sentosa and Kampung Sekendi.

High-risk flood areas in Kuala

Selangor are Kampung Tok Adam, Bagan Pasir Penambang, Bagan Pasir Tajung Karang, Pantai Remis-Pantai Indah, Sungai Kajang, Kampung Bagan Pasir, Kampung Lembah Pantai, Kampung Bagan Pasir Penambang, Kampung Sungai Semilang, Kampung Sungai Janggut and Bagan Tengkorak.

In Kuala Langat, the areas that will be monitored are Pantai Kelanang, Bund Sijangkang, Istana Pantai Bahagia, Jalan Harmoni, Persisir Pantai Tanjung Sepat, Pantai Batu Laut, Pantai Morib, Bund Kampung Kundang, Pekan Tanjung Sepat and Morib Federal Rest House.

In Sepang, the high risk flood areas are Persisir Pantai Bagan Lalang, Kampung Tanjung Rhu and Kampung Orang Asli Bagan Lalang.

Meanwhile, Fire and Rescue Department Sungai Pinang Station operations chief Bonny Martin Saging Mato said all 37 personnel with the station were on alert to face the high tide.

He said all stations in the district were well-equipped and prepared to handle any calamity.

"Our fire stations are equipped with boats, life jackets and utility vans, and are able to provide relief if flash floods occur," he said.

Bonny added that based on tide levels forecast, the water levels would be manageable and should not breach the bunds.

Meanwhile, Malaysian Red Crescent Klang District Emergency Respond Disaster chairman S. Thinesvaran said his team of 15 men were on standby to provide counselling therapy, psychological support and also to help in food preparation at evacuation centres if the need arose.

**KLANG:** The Selangor government will provide its feedback to the National Security Council after the announcement of the conditional movement control order in the state.

Mentri Besar Datuk Seri Amirudin Shari said the state government was of the opinion that the situation in green and yellow zones, such as Sabak Bernam and Kuala Selangor, were still under control.

He said only Klang, Gombak, Hulu Langat and parts of Petaling had indicated a worrisome increase in the number of cases.

This, he said, was disclosed during the state Security Council meeting he chaired earlier yesterday and

which was attended by the Selangor health department, the police, the armed forces and other agencies to discuss the implementation of the conditional MCO in the Petaling district.

"To date, the state government has on consensus agreed there are specific recommendations that can be conveyed to the National

Security Council for consideration," said Amirudin.

He did not state the recommendations.

The Mentri Besar said the state government also hoped that all parties were prepared with the changes so that the spread of the Covid-19 infections could be collectively controlled.

"The state government also highly valued more effective and conclusive crisis communication involving all parties so that any decision taken will not create implementation uncertainties, which will impact frontliners, the public and especially small and medium industry operators," said Amirudin.

## Police to enforce roadblocks in parts of Klang Valley

**KUALA LUMPUR:** Police will enforce roadblocks in Selangor, Kuala Lumpur and Putrajaya following instructions to implement the conditional movement control order (MCO) from tomorrow, says Deputy Inspector-General of Police Datuk Seri Acryl Sani Abdullah Sani.

The roadblocks will be set up at several locations in the Klang

Valley starting 12.01am tomorrow.

“The roadblocks will be mounted in the same way as before (during the MCO in March).

“Instructions for the deployment of police officers to the roadblock locations will be arranged by the Kuala Lumpur and Selangor OCPDs,” he said.

Meanwhile, Chief of Defence Force Jen Tan Sri Affendi Buang

said the Malaysian Armed Forces (MAF) would work with the police in mounting the roadblocks.

“MAF and the police will do as they did before,” he said.

Yesterday, Senior Minister (Security) Datuk Seri Ismail Sabri Yaakob announced that the government agreed to implement conditional MCO in Selangor, Kuala Lumpur and Putrajaya from

12.01am from Oct 14 to Oct 27.

The decision was reached at a special National Security Council meeting chaired by Prime Minister Tan Sri Muhyiddin Yassin yesterday, after consulting with the Health Ministry and taking into account the recent increase in Covid-19-positive cases in Klang, Petaling and Gombak districts. — Bernama

DAIKIN Malaysia Group's ambition to optimise its logistics and improve efficiency took a huge step forward with the groundbreaking ceremony for a RM126mil Centralised Distribution Hub.

Located at Kota Elmina in Rawang, Selangor, the new hub will be the largest for the group in South-East Asia.

Daikin Malaysia chief operating officer Shogo Ando said the facility would speed up its logistics management to secure a responsive and agile supply chain.

"The hub will replace the eight scattered logistics centres in the Klang Valley for the three companies under Daikin Malaysia Group – Daikin Malaysia Sdn Bhd, Daikin Malaysia Sales and Service Sdn Bhd and Acson Malaysia Sales and Service Sdn Bhd.

"This will allow us to handle a higher volume of products as well as make use of the larger storage space," he said during the ceremony.

Ando also hoped that the new hub would help to strengthen its logistics management, thus further expanding its presence within Malaysia and South-East Asia.

The new distribution hub will spread over 56,100sq m of land area and 32,300 sq m of total building floor space.

Construction is expected to be completed in mid-September 2021 and operations are targeted to start by the end of the same month.

Ando said the facility would reduce its carbon footprint within its transportation network by 30%, as it would eliminate redundant or inefficient warehouses.

"By integrating the three companies' logistics centres in the Klang Valley, we can reduce warehouse, transportation and handling costs as well as improve delivery time," he said, adding that the adoption of automation and artificial intelligence would further enhance its productivity.

Meanwhile, Invest Selangor chief executive officer Datuk Hasan Azhari Idris said Daikin's

Also present at the event were Selangor Municipal Council president Shamsul Shahril

## Exco: State govt still awaiting analysis results of water samples

**SEREMBAN:** The Negri Sembilan government is still awaiting the results of analyses of samples taken from the pollution source in Nilai, which had caused two Water Treatment Plants (WTP) in Selangor to suspend operations on Oct 4.

State Health, Environment, Cooperatives and Consumerism committee chairman S. Veerapan said to date the official results of

the analyses had not been received from the Chemistry Department.

"Usually, the results will be available within two weeks from the day the samples are sent to the Chemistry Department... but we, on the part of the State Department of Environment (DoE), have asked for the results to be released as soon as possible.

"Meanwhile, the DoE is still

conducting investigations around the premises at the illegal dumpsite," he told *Bernama* when asked about the results of analysis of water samples here, yesterday.

On Wednesday, Deputy Inspector-General of Police Datuk Seri Acryl Sani Abdullah Sani was quoted as saying that the police had arrested two men in their 30s and 40s, who were suspected of being involved in the pollution of Sungai Batang Benar, Nilai and Sungai Semenyih, Selangor, on Oct 6.

Acryl Sani said the two men were nabbed in Kota Baru, Kelantan while on their way back to Nilai.

On Oct 5, *Bernama* reported that the Environment and Water Ministry said waste and organic compounds found in the bushes on the fringe of the industrial area in Jalan Emas, Nilai Industrial Park were the source of pollution in Sungai Batang Benar.

The pollution caused two water treatment plants in Sungai Semenyih and Bukit Tampo to halt

operations resulting in unscheduled water supply disruption to 309,687 consumer accounts in Petaling, Hulu Langat, Kuala Langat and Sepang.

On Friday, Pengurusan Air Selangor Sdn Bhd (Air Selangor)

chief executive officer Suhaimi Kamaralzaman was quoted as saying that water supply disruption in all 274 affected areas in Petaling, Hulu Langat, Kuala Langat, Sepang and Putrajaya had been fully restored. **Bernama**

Tajuk Berita	:	The heart of a new urban renewal concept
Muka Surat	:	12

**PLACEMAKING**

## The heart of a new urban renewal concept

**RETHINKING** urban spaces can be the foundation of a new “common civics”. When I virtually met a designer and innovator, Weeie Ying, I was intrigued by his idea of “common civics”, a new approach to create healthier, happier and human-centric communities in Malaysia.

“Placemaking”, shares Weeie, “is the process of turning public spaces into community places. Instead of designing to only fulfil architecture needs and amenities, placemaking focuses on engaging with people who use the space to know how best to design for them — hence creating community life”.

We all know that Malaysia is heavily dependent on fossil-fuelled transportation where traditional cars instead of electric vehicles are predominant. People are used to lives dominated by an insane use of the cars. Their lives are literally driven by cars!

Over the last few months, I read articles and saw pictures of one of the unintended consequences of the pandemic-induced lockdown: the rethinking of urban spaces throughout the world.

Car-centric towns, like Milan

**SIMONE GALIMBERTI**

and Paris, have started rethinking their urban spaces, closing more and more roads to cars, creating more pedestrians spaces.

The same happened in metropolises, like New York City and Toronto, where new kilometres of new bicycle lines have been planned to respond to the Covid-19 emergency.

In Malaysia, such evolution and progress did not emerge strongly enough.

For example, Jeffrey Lim, a graphic designer, came up with the idea of creating a bicycle map of Kuala Lumpur and some parts of Petaling Jaya. The final product, completed in 2014, was the

result of a collaboration with people from different walks of lives.

It is true that some local councils made an effort to embrace a more bicycle-friendly vision, including the Kuala Lumpur City Hall (DBKL), Petaling Jaya City Council (MBPJ), and in the past have shown an interest in creating the so-called “Cycleways” network but the commitment has been patchy at best and without long-term planning and a common vision.

To succeed, collaborations are essential. For example, Weeie recounts how Epic, a social innovation organisation, has been working in the past with the Subang Jaya Municipal Council (MP-SJ) to “create minimal interventions to test the validity of the park’s existence — and the finding was that the location was not at all suitable for a park since it is surrounded by main highways.”

The idea of “common civics” is about getting people to think about new urban solutions that could transform their lives for the better. It is not only about designing new prototypes on micro-mobility, a concept of which Weeie is very fond of. For exam-

ple, conceptualising new ways to improve the sidewalks’ experience or finding more healthy solutions to car movements.

At the foundation of this is a deep commitment to have people working together, most of the time donating their time, for a higher cause. It’s about dialogue and discussion and it’s also about partnerships. Transformational change will only happen if the government at all its levels is ready to be engaged and supports the process.

One of the cornerstones of design thinking that inspires much of this urban renewal work is the concept of prototyping, starting small and trying out a new solution that has been elaborated after cross-sector stakeholders’ discussions and deliberations.

Backing up financially such a working approach should not be an issue and some budget lines must be allocated nationally and locally to enable the best ideas to emerge through a “cross fertilisation-based” decision-making.

Ideas and best practices are certainly not lacking in Malaysia. For example, Think City, another citizens-led organisation, has the

mission of “making cities people-friendly and resilient by being a catalyst for change in the way cities are planned, curated, developed, and celebrated”. At its core is the idea of placemaking intended as a “way to improve the economic viability of a place and offer opportunities for building healthy, productive, resilient societies”.

Another example is Sedunia, a very interesting change making platform set up by Epic where new ideas and new actions emerge and are implemented collaboratively from urban regeneration to promotion of volunteerism.

The truth is that the underlying issues are very hard to tackle due to the incentives or a lack of that which are tied to their solutions, shares Weeie. We need political will and ability to execute transformative changes. Will the political class be up to the challenge?

## CMCO for Selangor, KL, Putrajaya and Sabah

**KUALA LUMPUR (Oct 13)** More states have been placed under the Conditional Movement Control Order or CMCO, as new daily cases stubbornly remained above 300 since Oct 5.

The latest states and federal territories where CMCO will be imposed for two weeks are Kuala Lumpur, Putrajaya and Selangor — starting Oct 14 till Oct 27 — and Sabah, from today till Oct 26.

The Ministry of Health reported 563 new Covid-19 cases yesterday — its second highest new daily cases recorded. This caused the number of active confirmed infections, which carry high transmission risks, to soar by 1,176 cases in four days to a new record high of 5,039 cases.

Senior Minister (Security Cluster) Datuk Seri Ismail Sabri Yaakob said the decision to impose the CMCO in these new areas was reached at a special National Security Council (MKN) meeting chaired by Prime Minister Tan Sri Muhyiddin Yassin yesterday, following advice from the Ministry of Health (MofH), amid rising infections in these states.

"Movements across districts will not be allowed. However, workers who need to cross districts need to show a work pass or letter of approval by the employer," he said in a virtual media conference via the Ministry of Defence Facebook site, according to *Renama*.

All schools, institutions of higher learning, kindergartens, nurseries, taikraf centres, public parks and recreational centres will be closed and only two persons would be allowed from one household to go out to purchase necessities, he said.

Mosques, suraus and non-Muslim houses of worship will also be closed, while all

sport, recreational, social and cultural activities as well as wedding and engagement ceremonies will not be allowed, the news agency reported. Entertainment centres and night clubs will also not be allowed.

However, all economic, industry and manufacturing activities in Selangor, Kuala Lumpur and Putrajaya are still allowed to operate as usual, said Ismail Sabri, adding that the list of further and detailed stand-alone operating procedures (SOP) would be announced by MKN soon.

For the CMCO in Sabah, he was reported as saying that wholesale and daily markets can only operate from 6am to 2pm; while stores selling necessities, convenience stores, sundry shops, restaurants, eateries, stalls can operate from 6am to 6pm and will be limited to drive-through, deliveries and takeaways only.

Petrol stations, he said, will also be allowed to operate from 6am to 6pm only, as will pharmacies and medicine stores, though government clinics and hospitals will be open for 24 hours. Taxi or e-hailing

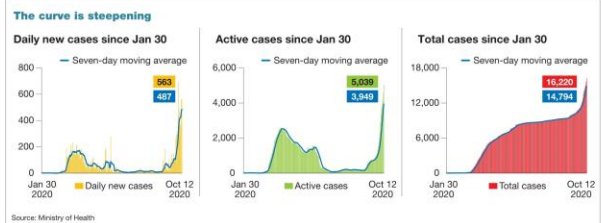

and food delivery services, meanwhile, will be allowed to operate from 6am to 8pm, while express buses and public stage buses are not allowed to operate.

Fisheries, farming and agricultural sectors are allowed to operate during this period, he said, while the business and manufacturing sectors, including the small and medium industries (SMIs), that plan to operate could seek approval from the Sabah State Disaster Management Committee.

On violations or defying the Recovery Movement Control Order (RMCO), he said police detained 617 individuals and from the total, 44 individuals were remanded while two were granted bail yesterday.

Among the highest offences reported are physical distancing involving 239 individuals, not wearing face masks (178) and night club activities (105), Ismail Sabri added.

## More CMCO as Covid-19 new cases remain high

by S BIRRUNTHA

KUALA Lumpur (KL), Selangor and Putrajaya will be placed under the Conditional Movement Control Order (CMCO) for two weeks starting tomorrow.

Senior Minister (Security Cluster) Datuk Seri Ismail Yaakob said the decision was made upon the Ministry of Health's (MoH) advice following a spike in Covid-19 cases in several localities such as Klang, Petaling, Gombak and other districts.

"To curb the spread of the virus, the National Security Council (NSC) special meeting held yesterday has agreed to put Selangor, KL and Putrajaya under the CMCO effective midnight of Oct 14 until Oct 27," he said at a press conference yesterday.

However, Selangor Menteri Besar Datuk Seri Amirudin Shari in a statement later yesterday described the announcement as "a shock" as only Klang, Gombak, Hulu Langat and some parts of Petaling had worrying numbers of cases.

"I had just chaired a meeting with the Selangor State Security Council, the Selangor Health Department, the police and other agencies on the implementation of the CMCO in Petaling.

"The state is of the opinion that areas in the green and yellow zones like Sabak Bernam and Kuala Selangor are still under control, therefore the state government will send some recommendations to the NSC immediately for them to reconsider."

Apart from Selangor and KL, the government has also decided to impose the CMCO on the entire state of Sabah from today until Oct 26.

## More CMCO as Covid-19 new cases remain high

FROM P1

Ismail Sabri said the CMCO throughout Sabah was recommended by the Sabah government representatives, besides MoH and NSC. Before this, only Tawau, Kunak, Semporna and some areas in Kota Kinabalu were put under the CMCO.

"However, the special NSC meeting chaired by Prime Minister Tan Sri Muhyiddin Yassin heard MoH's confirmation on the increasing positive cases in Sabah.

"Besides that, cross-district control has been implemented since Oct 3, in which only employees with an authorised employee card will be allowed to cross districts."

The senior minister also noted that those in the trade and manu-

facturing sectors, including small and medium industries must obtain permission from the Sabah Disaster Management Committee (SDMC) to operate.

The government also announced Felda Umas in Tawau will be placed under Enhanced MCO (EMCO) starting today until Oct 26, involving 800 households comprising 17,549 residents.

Under the EMCO, all residents will not be allowed to leave their houses and all entryways into the area will be closed.

For emergency cases, involving health or death, the residents may apply for approvals at nearby police stations.

The authorities will be conducting targeted screenings on all the residents, while the state govern-

ment will provide all necessities such as food and water.

Meanwhile, the police arrested 663 individuals on Oct 11 for violating the Recovery MCO (RMCO).

Ismail Sabri said the offences committed include not practicing physical distancing (239 cases), not wearing face masks (178), activities in entertainment centres (105) and premises failing to record customers' details (89).

Of the total arrests, 617 individuals were issued compounds, 44 remanded, while two others were granted bail.

The minister said the increase in the arrests and compounds showed that the police will no longer compromise with RMCO violators.

## All govt services remain operational under CMCO

ALL government services will remain operational throughout the implementation of the Conditional Movement Control Order (CMCO) in Selangor, Kuala Lumpur (KL) and Putrajaya from Oct 14 to Oct 27, said Chief Secretary to the Government Tan Sri Mohd Zuki Ali.

In a statement, Mohd Zuki said

civil servants will adapt to a rotation system and work from home, based on the requirement.

He said heads of departments are required to comply with the Public Service Department Circular "JPA. SARAAN (S) 256/6 / 31JLD.6 (6)" dated May 2, 2020, for the purpose, and use their discretion and due consideration in the best interest of

their staff's health and welfare.

They should also ensure all safety and health standard operating procedures (SOPs) are fully complied with such as performing body temperature screening, practising physical distancing, and using face masks and sanitisers.

"This will also apply to any other areas declared as being

under the CMCO," he said.

Mohd Zuki said online applications should also be prioritised to minimise physical presence at offices or over-the-counter services.

He added that the National Security Council (NSC) would be issuing more detailed SOPs in the future.

Senior Minister (Security Clus-

ter) Datuk Seri Ismail Sabri Yaakob yesterday said the Special NSC Meeting agreed to implement the CMCO in Selangor, KL and Putrajaya after receiving advice from the Ministry of Health and taking into account the increase in the number of Covid-19 cases in districts such as Klang, Petaling and Gombak. — *Bernama*

## Health DG: CMCO a proactive move

by HARIZAH KAMEL

AS COVID-19 infections in the Klang Valley can no longer be curbed with the current standard operating procedures, the Conditional Movement Control Order (CMCO) is the way to go, Health DG Tan Sri Dr Noor Hisham Abdullah said.

In his Covid-19 briefing yesterday, he said the CMCO is a more proactive and effective action, especially in ensuring that the country's public health is taken care of.

"For Selangor, Kuala Lumpur (KL) and Putrajaya, although less than 100 cases are being recorded daily, they consistently record new cases every day. The cases are scattered in the Klang Valley and starting to spread in all districts except for Sabak Bernam.

"We can no longer just look and wait for the yellow zones to turn red to implement the CMCO. We

must understand that risk assessment depends on an area and is not only based on the number of daily positive cases, but also the pattern of transmission of the infection," he said.

He also reiterated that employers are encouraged to send their employees for screening from time to time, especially for sectors that involve interactions with the community such as shopping malls.

Meanwhile, Dr Noor Hisham said a total of 522 members of various categories and health workers have been sent to Tawau, Lahad Datu, Semporna and Kota Kinabalu, Sabah.

He added that in the future, the Health Ministry (MoH) will send 11 more medical experts, namely three clinicians and eight physicians.

"The ministry also calls on more health medical volunteers to assist the ministry in tackling the third wave of Covid-19.

Dr Noor Hisham says employers are encouraged to send their employees for screening from time to time Pic by Razak Ghazali

"Coordination will be carried out by the Crisis Preparedness and Response Centre, and those who are interested and qualified can email to [mobilisasi19@gmail.com](mailto:mobilisasi19@gmail.com) or

[cprc@moh.gov.my](mailto:cprc@moh.gov.my)," he said.

On the topic of personal protective equipment (PPE) supply to accommodate frontliners in the country, the health DG noted that

preliminary planning has been made and that PPE stock is closely monitored at all levels.

Yesterday, MoH recorded 563 new positive cases, of which only one case was imported.

Sabah continued to record the highest cases at 291, mainly due to the large-scale health screening conducted in the targeted areas.

Penang came in the second spot with 141 cases — all from the Penang Remand prison — followed by Selangor with 69 cases and KL with 28.

Two more deaths were reported in Sabah, bringing the total tally to 159. However, 109 recoveries were recorded, bringing the total recovery cases to 11,022, or 67.95% of total Covid-19 cases in Malaysia, to date.

Six new clusters were identified, namely two in KL and one each in Sabah, Selangor, Johor and Putrajaya.

## 能否切斷雪隆傳播鏈

# 未來14天很關鍵

報道 ▸ 莊舜婷

(八打灵再也12日讯)雪隆区的疫情大爆发,未来14天将是关键期,能不能阻止冠病疫情蔓延,就看此次“封城令”!

雪兰莪州、吉隆坡及布城将从10月14日(星期三)起落实有条件行动管制令,希望通过“封城令”来切断冠病毒传播链。

《大都会》社区电访雪隆区人民代议士、贩商会代表时,他们纷纷认同政府实施此次有条件行管令,以控制疫情进一步扩散,惟政府必须公布进一步的资讯,否则民众会感到混淆及惊慌。

### 黃思漢: 減少不必要外出活動

雪州行政议员的他发现,今天是一星期的工作日,但路上的车辆很少,没有塞车的现象,这证明行动管制活动达到一定的效果。

“不管是工作或居家者都尽量不出门,不到处乱跑,这是个好现象,希望大家尽量减少不必要的外出活动。”

他说,目前的疫情分散各地,已经散播到社区各角落,若要把疫情控制住,未来2个星期将是关键期。

### 遵守配合免疫情再爆发

他表示,如果卫生部觉得现在必须实行有条件行管令,大家就要遵守及配合,没有人希望疫情再度爆发,最重要的是时刻提醒自己,尽量不要到处去。

他指出,在有条件行管令下,民众不可以跨县,而警方、卫生局及土地局对于县属的边界都不统一,各单位有各自的界限,存有模糊地带。

“不过,如今整个雪州、吉隆坡及布城都实施有条件行管令,边界的问题不大,整个范围都受管制,而要跨县工作者,只要出示信件即可。”

茨厂街在过去两个星期来人潮锐减60%,商贩生意大受影响。(档案照)

### 鄧章欽: 民衆應奉行“三不守”

雪州行政议员邓章钦促请民众,在雪隆及布城进入有条件行管令期间,奉行“三不守”策略,即不惊慌、不抢购、不散播、遵守SOP及耐心等待官方宣布。

也是巴生新城州议员的他今年在脸书贴文,劝民众不要对有条件行管令感到惊慌,因大家已有了过去几个月的行管令经验。

他劝告,民众勿惊慌抢购必需品,因经济和商业活动依然允许进行;加上根据过去的经验,市面上的必需品供应充足。

他亦促请,民众不要传播未经证实的消息,应耐心等待官方宣布的消息,并且遵守行管令的标准防疫作业程序,包括戴口罩、保持人身距离及避免聚集等。

### 方貴倫: 指示資訊須明確

行动党武吉免登国会议员方贵伦表示,新一波疫情已蔓延到许多地区,为了安全着想,必须实施有条件行管令,但政府必须给予明确的指示及资讯,否则民众会感到混淆及无所适从。

他说,尽管人民对有条件行管令感到恐慌,心理上接受不了,但为了安全,又不得不执行,希望在这段时期,尽快控制住疫情。

他指出,虽然经济活动照常,但这对国家经济会造成伤害,影响甚大;许多民众都要跨县,甚至跨州工作,是否需要申请,需要当局的进一步的指示。

“吉隆坡与雪州是相连,我们都不希望疫情蔓延至吉隆坡,希望此次封城能切断传播链。”

他也会要求吉隆坡市长在与相关部门商讨后,发布明确的指示予吉隆坡市民,并且与国会议员配合,发放消息给选民了解。

### 洪細弟: 配合CMCO穩定疫情

吉隆坡小贩商业公会主席拿督洪细弟表示,目前最重要是减低疫情的传播,全民及商家必须配合政府的政策,团结起来才能切断传染链。

也是大马时装批发进出口商公会会长的他说,全民必须配合政府控制疫情,只要让疫情稳定后,商场商店才开放营业,业者才有生意,人们才会信心出门购物。

他指出,近2个星期,疫情严重飙升,民众担心继续恶化下去,都不敢出街,以致经济一蹶不振,就算商店可营业也没生意,茨厂街及何清园一带的人潮已锐减了60%,许多商场也死气沉沉。

他表示,该商会及公会都支持政府采取果敢的封城决定,这是降低病毒的传播的精明政策,且暂时性的牺牲好过长期痛苦,如果在2个星期内战胜病毒传播,商贩及民众都可以过上安稳的生活。

他相信有了3月落实行管令的经验,民众面对第二次封城已有心理准备,将会配合政府的防疫工作,并呼吁大家不要制造恐慌。

他相信有了3月落实行管令的经验,民众面对第二次封城已有心理准备,将会配合政府的防疫工作,并呼吁大家不要制造恐慌。

### 是否关闭茨厂街等市局指示

他考虑在有条件行管令期间关闭茨厂街,但还要等吉隆坡市政局的指示,如早市巴刹卖鱼菜的小贩可以开档,但熟食必须打包,他也劝告小贩在这两个星期内关闭休息。

# 巴生市會宣布 屠妖節市集取消

(巴生12日讯) 因冠病疫情来势汹汹, 巴生市议会宣布今年不会有屠妖节市集!

巴生市议会主席阿末法兹里指出, 基于种种考量后, 市议会决定今年不会如常在顶吉巷 (Lorong Tingkat) 举办屠妖节市集。

他表示, 屠妖节市集是巴生区一年一度其中一个盛大市集, 不仅是巴生市民会前来参观市集, 就连其他区的民众也会一起来热闹一番。

阿末法兹里发文告说, 近期, 巴生县冠病疫情严重, 确诊病例有增无减, 为了保障市民的生命安全, 市议会决定今年不举办屠妖节市集。

他还说, 希望取消举办屠妖节市集能有效地阻断冠病传播链, 保障巴生人的健康和安

## 大臣促國會檢討

內有數個區域和區，如沙巴安南區和瓜拉登嘉樓的疫情仍受控，因此雪蘭莪政府將會立即作出宣布的州安會提出政府建議。國家安全理事會應考慮整個雪蘭莪州有條件行管區的決定。

阿末希丁對全國進入緊急條件行管令感到憂慮，並表示這與國家發展及反歧視、安撫等目標相背。他呼籲政府應考慮其他可行方案，共同阻擊疫情傳播，期待來自各方的有效率和可行性意見。

他表示，隨著雪州疫情上升至令人擔憂層次，他今午將提交一項建議級安會。

# 雪大臣：沙白瓜雪不应落实CMCO

**莎阿南12日讯 | 雪州政府对全雪州、吉隆坡和布城落实有条件行管令感到震惊，认为沙白安南县和瓜拉雪兰莪县，不应落实有条件行动管制（CMCO）。**

雪州大臣拿督斯里阿米鲁丁披露，州政府今天召开国安会议，并认为现阶段，只有巴生、鹅唛、乌鲁冷岳，以及八打灵县部分地区的疫情令人担忧。

他说，雪州政府针对雪州的疫情发展已达成一定共识，并已准备将相关建议呈交予国家安全委员会（MKN）进行审核。

## 绿区黄区仍受控

「州政府认为，一些处于绿区和黄色疫区的地点，如沙白安

南和瓜拉雪兰莪县，其实疫情仍在控制范围内。为此，州政府会立即向国安会提出反建议，希望中央政府能够重新检讨，在全州落实有条件行管令的政策。」

「州政府希望各方能够为此次的变化做好准备，以便官民能够共同配合，成功遏止新冠病毒疫情的扩散。」

他表示，州政府高度赞赏各政府单位之间，能够对危机作出更有效和结论性的沟通与讨论，以致所作出的决定，不会产生任何不确定性，以避免对前线人

员，尤其是对中小型工商业业者造成影响。

阿米鲁丁是于今日跟州内各政府和执法单位，召开雪州级别的国家安全理事会会议后，发表文告如是表示。

与会的政府单位，还包括雪州卫生局（JKNS）、马来西亚皇家警察（PDRM）、马来西亚皇家武装部队（ATM），以及其他相关单位等等。

# 未知关校 少数学生到校再折返

**蒲种12日讯** | 因疫情关系，雪兰莪八打灵县298间学校今日起关闭，但今早仍有少数家长不知情，载送孩子抵达校园后，又折返。

根据《东方日报》今早6时走访蒲种益智华小发现，有3名不知情家长今早依旧载送孩子到来学校，经过校工讲解后，方知该校从今日起关闭14天。

家长谢先生表示，他没有接获通知，所以今早如常载送小孩到校，如今唯有折返回家。

另外，也有一名家长今早特

别前来学校，以再度确认学校的关闭日期。

## 安排校工展示告示牌

据观察，2名校工今早6时已站在校门前，举着告示牌，向数名摸黑到来的家长，通知学校从今日起关闭至25日。

根据向校工了解，校方昨日已向家长发出通知，不过碍于担心仍有家长不知情，所以他们今早也在校门前执勤驻守，并且临时自制了数个告示牌，张贴在校门，或向家长展示通知。

教育部是于昨日宣布，由于雪州八打灵县已被卫生部列为红区，因此雪兰莪八打灵县的298间

学校，今日起（10月12日）关闭至25日。涉及的学校涵盖教育部旗下的小学和中学，以及向教育部注册的私人学校。

**吉隆坡12日讯** | 鉴于在过往行动管制令期中，已累积经验，加上校方一直都密切关注疫情进展，并加以准备，因此八打灵县部分华小如今要随着学校的暂时关闭，转换网络教学模式，未见太大问题！

数间华小董理事长或家协协会主席接受《东方日报》采访时认为，基于过去累积了一定经验，加上校方已有所准备，因此不成太大问题。

## 校方有所准备

培才二校家协主席骆展丰表示，校方如今都有一定经验落实网课，而之前当学生缺课时，教师也开始通过网络交代功课。

「过去一周来，当周遭地区不断出现确诊病例的消息，大家都已经有心理准备（去应对对学校暂关或网络授课的情况）。」

蒲种深静（哈古乐）华小

## 转换网络教学

董事长高祥威也说，在疫情反复期间，校方已经做出很多学术上的准备，所以今早随着学校暂关后，已能即刻启动网上教学。

## 学校展开消毒行动

「而在学校关闭期间，我们也会持续展开消除病毒行动。」

另外，沙登一校家协协会主席郑东和也说，基于行管令期间已累积经验，因此如今重启网络教学，并不成问题；不仅教师做好准备，不少家长也熟悉网课操作模式。

谈及学校关闭，是否对双薪家长构成影响时，他相信，很多家长已经有所预料，毕竟为了孩子的健康安全，不少家长已不送孩子到校，其中上周五的学生出席率偏低。

大约为79%。「据悉，本校上周五的学生出席率大约83%，今日则是约79.4%。」

安邦二校家协主席陈友胜指出，该校全校有2300位学生，家长大部分为上班族，上周以来已有20%以上的学生，没到来学校上课。「今天据知有一部分班级的，也出现零星的几位学生没来上课。」

甲洞一校校长魏官云指出，该校的学生出席率，自上周的90%逐渐下滑，而今早只有将近70%或仅23%学生到校上课。

「部分家长顾及甲洞在地理位置上，靠近八打灵再也，因担忧疫情扩散，而向学校申请不让孩子返校上课，因此校方不会阻止家长提呈请假申请。」

# 隆雪华小关校前 出席率已创新低

联合报导 王蓉 陈慧芸

**吉隆坡12日讯** | 雪隆地区陆续传出有学生、教师确诊，家长心慌慌，未等教育部宣布停课，家长就自行告假让孩子缺课，造成今日多所华小的出席率创下新低，只达到70%或仅有2/3学生到校上课！

虽然截至今早，只有列为疫情红区的巴生县和八打灵县学校，以及出现确诊病例的学校被指示停课，然而而在以外地区的学生出席率，却自上周起一再下

滑，今早的学生出席率，更是这几日来的最低。

据了解，不少家长因担忧孩子在校有感染风险，即便校园没有出现确诊病例，仍纷纷向校方申请以暂停让孩子返校就读，使得雪隆区的学校，从上周平均取得80%的出席率，进一步跌落至今日的70%或以下。

康乐二校家协主席陈建财表示，自从第三波疫情爆发之后，该校的学生出席率开始慢慢呈下降趋势，而今日出席率大约70%。

他指出，周遭地区近日陆续出现确诊病例，肯定引起家长的担忧，进而选择请假暂时不让

孩子返校。

「学校今年年中获准复课后，本校的学生出席率有逐渐上升到逾90%，但后来疫情再爆发，出席率明显下降，直至今日出席率大约为70%。」

「家长有权力让孩子待在家，我们没办法阻止。」

## 不阻申请告假

万挠三育华小董事部财政尹庆基也表示，学校获准复课后，该校的学生出席率不曾达到100%，但也曾慢慢上升到大约90%；而目前据了解，学生出席率

## 仁小沙登二校各有学生确诊

**仁嘉隆12日讯** | 仁嘉隆华小一名学生，确诊感染新冠病毒！为安全起见，校方即日起关闭学校一周，曾有接触过师生与校巴司机约80人，今日也以得来速（Drive-Thru）形式，接受新冠筛检。

仁嘉隆华小今午接获雪州教育局发出指示，要求学校关闭7天，即从即日起关闭至本月18日，本月19日（周一）恢复上课。

万津州议员刘永山接受《东方日报》记者电访时指出，县卫生局今日已派出医护人员，协助师生进行新冠筛检；根据县卫生局提供的名单，共有80名师生，因曾直接接触该名确诊学生，而需要接受新冠筛检。

「据我了解，相关的学生并没出现任何症状，在等待学生的筛检报告出炉之前，校方不敢掉以轻心；校方目前不仅已在全校进行消毒，县卫生局今日也为相关的师生进行新冠筛检。」据悉，仁嘉隆华小的确诊学生，已于10月7日送往双溪毛糯医院进行检测，检测报告于今日出炉。

与此同时，在雪州沙登二校，一名五年级的学生也确诊新冠病毒，这名学生据说是早前确诊的斯里肯邦安国中二女生的弟弟。

沙登二校在接获卫生局报告后已向全体学生家长发出通告，根据有关通告，该校的一名四年级学生的检测结果为阴性，不过另一名五年级学生的检测则是阳性。

随著有关五年级学生确诊，他在课后前往的史里肯邦安怡观园的学习中心同样遵守卫生部防疫程序，关闭中心进行消毒，并在等待卫生局进一步指示后才重开。

## 靈市廳職員是源頭 雙溪威感染群無關外勞

(八打灵再也 12 日讯) 雪州双溪威 (Sungei Way) 感染群源头为一名居住在该区的八打灵再也市政厅职员，而其他确诊者则多为其接触者，与外劳无关。

八打灵再也市议员王友泰今日指出，该名确诊病患曾接触其家人、亲戚或朋友，以致确诊人

数飙升至18人。

他说，所有与该确诊者有过接触的人，都已经接受冠病检测。

他同时强调，该感染群虽然有18宗确诊病例，但在双溪威区仅占3宗，其余的确诊者有来自巴生、鹅唛等地区。

“在18宗确诊病例中，仅有3至4名病患出现

症状，大部分者皆无任何症状，直到检测结果出炉，才证实感染冠病。”

他是针对这个感染群被宣染成与外劳相关，是外劳导致爆发一事如此表示。卫生总监丹斯里诺希山是在昨日宣布出现双溪威感染群。

尽管如此，王友泰还是促请民

■ 王友泰澄清，双溪威感染群非源自外劳。

众务必遵守标准作业程序，以及做足防疫措施，避免病毒蔓延。

他同时补充说，政府目前尚未对该区实行加强管制或有条件行管令。(LPP)
