You'll love Malaysia now and Forever
Different races everywhere
The soul of Asia is surely here
This beautiful Malaysia

You'll love the colour Malaysia
Where the sun loves to shine
On sandy beaches and clear waters
With smiles of friendly races

This land so beautiful
It steals your heart away
This land is paradise
Only a smile away
The soul of Asia
The essence of Asia
in this land where dreams come true

People smiling everywhere
Showing you how much they care
