Malaysia kekal pilihan pelabur

Inisiatif Permit Pembinaan Ekspres bantu kurang karenah birokrasi

Oleh Noorazura Abdul Rahman
bhnews@bh.com.my

Kulim: Malaysia dijangka kekal menjadi destinasi utama pelabur asing berikutan usaha kerajaan mempercepatkan proses kelulusan melalui inisiatif E10 (Permit Pembinaan Ekspres), sekaligus membantu mengurangkan kerenah birokrasi.

Menteri Kanan Perdagangan Antarabangsa dan Industri, Datuk Seri Mohamed Azmin Ali, berkata inisiatif diperkenal Lembaga Pembangunan Pelaburan Malaysia (MIDA) itu akan menjadi penanda aras baharu dalam

memperkuh keyakinan pelabur asing ke Malaysia.

Katanya, dasar dan agenda dibawa kerajaan di bawah Rancangan Malaysia Ke-12 (RMK-12) serta Aspirasi Pelaburan Nasional (NIA) turut memberi penekanan kepada elemen alam sekitar, sosial dan tadbir urus (ESG).

"Ini adalah elemen penting perlu diperkenal bagi menarik pelabur asing ke Malaysia. Negara berada pada kedudukan strategik kerana menjadi anggota penting dalam Perjanjian Perkongsian Ekonomi Komprehensif Serantau (RCEP) yang dapat menjamin pasaran baharu serantau serta kalangan negara anggota RCEP.

"Pelabur bukan melihat insentif diberi kerajaan saja, tetapi melihat secepat mana kita membuat keputusan dan apakah tenaga kerja boleh ditawarkan serta kemudahan mampu disediakan kepada pelabur," katanya.

Beliau berkata demikian ketika ditemui selepas merasmikan Majlis Pecah Tanah Kilang Perin-

dustrian AT&S di Kulim Hi-Tech Park, di sini semalam. Yang turut hadir, Menteri Besar, Muhammad Sanusi Md Nor.

Mohamed Azmin berkata, mengambil contoh pelaburan dibuat AT&S, ia adalah suatu rekod kerana hanya mengambil masa 12 bulan hasil usaha inisiatif E10 yang berjaya mempercepatkan kelulusan di peringkat Persekutuan, negeri dan pihak berkuasa tempatan (PBT).

"AT&S adalah peneraju global pembuatan papan litar bercetak (PCB) dan litar bersepadu (IC) berprestasi tinggi berpangkalan di Austria. Mereka memilih Kedah untuk kemudahan pengeluaran pertamanya di Asia Tenggara dengan pelaburan fasa pertama berjumlah RM8.5 bilion.

"Ia adalah pelaburan terbesar dalam sejarah syarikat ini, bakal mencipta 1,500 peluang pekerjaan dalam kalangan jurutera dan 4,500 pekerjaan dalam kalangan pekerja kolar biru selain 6,000 anak tempatan diambil bekerja," katanya.

54 kebun komuniti MPAJ rebut hadiah RM28,000

Ampang Jaya: Sebanyak 54 kebun komuniti di bawah pentadbiran Majlis Perbandaran Ampang Jaya (MPAJ) menyertai pertandingan kebun komuniti bagi merebut hadiah keseluruhan bernilai RM28,000.

Yang Dipertua MPAJ Mohd Fauzi Mohd Yatim berkata, pertandingan sebagai dorongan dan sokongan kepada pengusaha kebun komuniti dalam menuju ke arah bandar rendah karbon.

"Untuk makluman, terdapat 54 kebun komuniti dan kebun sekolah yang berdaftar di bawah program komuniti MPAJ.

"Pertandingan ini adalah kali kedua dianjurkan dan hadiah kemenangan diberikan hasil daripada caj beg plastik," katanya ketika ditemui selepas melancarkan pertandingan kebun komuniti di Pangsapuri Cemara di sini, semalam.

Mohd Fauzi berkata, sehingga Oktober ini, pihaknya berjaya mengumpul

RM400,000 hasil daripada caj penggunaan beg plastik di kawasan pentadbiran MPAJ.

"Hasil daripada caj ini akan disalurkan kepada program alam sekitar dan aktiviti kemasyarakatan.

"Sebab itu saya sentiasa menggalakkan ahli majlis supaya meneruskan kempen alam sekitar di kawasan mereka," katanya.

Mengulas berhubung kebun komuniti, beliau berkata, pelaksanaan kebun komuniti pada peringkat awal adalah untuk mengindahkan kawasan tanah terbiar dan sebagai bekalan makanan kepada warga kebun.

"Bagaimanapun, terdapat kebun komuniti yang mengorak langkah dengan mengambil inisiatif menghasilkan produk mereka tersendiri.

"Kebun komuniti juga antara perancangan keijiranan hijau yang digariskan dalam garis panduan keijiranan hijau," katanya.

MOHD Fauzi melancarkan pertandingan kebun komuniti MPAJ.

Muka Surat	:	2

By AIDA AHMAD
 aidaahmad@thestar.com.my

SELAYANG Municipal Council (MPS) has managed to collect assessment fees amounting to RM86.7mil (79.57%) from the projected RM109mil as at Sept 30.

The council collected RM6.1mil (74.91%) from the outstanding arrears of RM8.15mil, MPS president Mohd Yazid Sairi said during a full board meeting.

He said notices (in Form E) were issued on Sept 1 to property owners with assessment arrears.

"A warrant of RM100 will be issued, starting Oct 21, to ratepayers with arrears," he said.

He disclosed that 73,368 overdue notices expired on Oct 20.

"The public can check and make payments through the MyMPS portal," he added.

To encourage residents to pay up, MPS organised a campaign in villages and at low-cost housing areas.

"Property owners who make full payment will get a reduction in charges and the warrant against them will be cancelled.

"All information on eligibility for cancellation of warrants is available at the MPS assessment payment counter," said Mohd Yazid.

From Oct 25 to Dec 31, renewal of business licences can be done online.

Business owners are required to update their information and make payments at lesendigital.mps.gov, then print out their business licence for display.

"The MyMPS initiative is to facilitate the licence renewal process so that people do not have to be physically present at the counter," Mohd Yazid highlighted.

"However, the payment process for licences for liquor, massage and reflexology parlours, cybercafes, hotels, visual or billboard licences including those from unauthorised factories, as well as scrap items and quarries, must be made through MyMPS and applicants must collect their licence from the Licensing Department.

"I hope all area councillors will

Tax collection and e-sports on agenda

MPS issues warrants to ratepayers with assessment arrears, plans for Nov 4 virtual sports tourney

The MPS Virtual Sport Open Tournament, from Nov 4 to 7, will be held online with Mobile Legends, FIFA 21 and PUBG Mobile. — Filepic

remind business owners to renew their licences before Dec 31 to avoid a late payment processing fee of 10%.

"MPS is also currently holding a compound discount campaign offering RM10 for each parking compound to vehicle owners with outstanding notices in Selayang," he said.

He added that the campaign period would be from Nov 1 to 30.

The public can visit the MPS lobby counter, MPS mobile counter in selected areas or make payment through the Flexi Parking and Smart Selangor Parking apps.

Mohd Yazid also announced that the Smart Scape group from MPS Landscape Department had

won a second prize of RM2,500 in Anugerah Inovasi Negeri Selangor competition (AINS) 2021 on Oct 27.

"The award was for the group's 'My Auger All In One' project.

"It is a machine innovation combining three main components.

"It can transport trees, dig holes for tree planting and measure the distance between trees as well as depth of the holes."

MPS, he said, was also named the MSOSH OSH Gold Class 2 Award winner for the MSOSH OSH Award 2021 programme organised by the Malaysian Society for Occupational Safety and Health (MSOSH).

"The awards ceremony is on Nov 25 in Kuala Lumpur,"

he added.

The local council will participate in the Selangor Industrial Park Expo programme by Invest Selangor from Nov 18 to 21, which promotes the state as a global trading hub in Asia.

"MPS has been a part of this programme since 2016.

"We hope to promote the council and attract potential investors to Selayang," said Mohd Yazid.

Besides these, the MPS Virtual Sport Open Tournament, from Nov 4 to 7, will be held online and among the e-sports to be featured are Mobile Legends, FIFA 21 and PUBG Mobile.

Participation is open to all Malaysians.

KULIM, Oct 30 — Austria's AT&S' choice of Malaysia as the location for its first manufacturing plant in Southeast Asia an investment of RM8.5 billion proves that the country continues to be a top destination for foreign investors to exp their business.

Senior Minister cum International Trade and Industry Minister Datuk Seri Mohamed Azmin Ali said the investment by global leader in printed circuit board manufacturing and integrated circuit substrates was also in line with the government's intentions outlined in the National Investment Aspiration (NIA).

"We set out in the NIA that we want to attract high-tech, quality investments to create quality jobs for the local world

"This was proven when AT&S decided to come to Kedah and it will create 1,500 jobs among engineers and 4,500 jobs among blue-collar workers. More than 6,000 local youths will get jobs with the facilities built by AT&S here," he told reporters here today.

Earlier, Mohamed Azmin together with Kedah Menteri Besar Muhammad Sanusi Md Nor officiated the groundbreak ceremony for the AT&S manufacturing facilities at the Kulim Hi-Tech Technology Park, here.

Malaysian Investment Development Authority (MIDA) chief executive officer Arham Abdul Rahman was present.

Mohamed Azmin said Malaysia must continue to remain competitive, as well as introduce policies and agendas that could attract foreign investors.

Hence, he said the government outlined new initiatives as stipulated in Budget 2022 and 12th Malaysia Plan (12MP) with the Environmental, Social and Governance (ESG) initiatives.

"This is an important element that needs to be introduced to attract foreign investors to Malaysia and this is what we doing. As Malaysia is also strategically positioned and being an important member of the Regional Comprehensive Economic Partnership Agreement (RCEP), it can secure new markets not only in this region but also among RCEP member countries," he said.

Mohamed Azmin said for foreign investors not only wanted to see the fiscal incentives offered by the government before investing in the country but also how soon a decision could be made by the government or relevant authorities in approving investments.

"If we look at the ease of doing business reports, Malaysia has recorded a good performance where we have facilitate foreign investors to come to Malaysia and make quick decisions.

"This AT&S investment is a record that has been set by MIDA, which took 12 months to bear fruit, through the ETO (Express Construction Permit) initiative to expedite approvals at all levels whether at the federal, state or local authority

"I want to state here that ETO will be continued and this is a new benchmark in MIDA to ensure that all investment applications can be expedited and it can help strengthen the confidence of foreign investors to invest in Malaysia," he said. — Bernama

KULIM, Oct 30 — Malaysia has the potential to become a major production hub for medical devices, as well as play an important role in the product supply chain in the region and globally.

Senior Minister and International Trade and Industry Minister Datuk Seri Mohamed Azmin Ali said the sector could be further developed through research and development (R&D), as well as collaboration of various parties, especially local industry players.

"Malaysia has pioneered and spearheaded as the largest producer of the global market for medical and surgical gloves and we have seen how Malaysia's role in the global supply chain of these products is important today.

"When Covid-19 occurred, external demand increased and this provided an opportunity for local companies to increase their production and productivity," he told a press conference after officiating the SIRIM Bhd Medical Device Innovation Centre (MDIC) at the Kulim Hi-Tech Park here today.

Mohamed Azmin said today Malaysia has a strategic position and has a talented and skilled workforce to penetrate markets in the medical device sector, especially in this pandemic situation.

However, he said product innovation needs to be enhanced by local industry players, especially among small and medium enterprises to compete globally by producing products that meet international standards.

He said hence, SIRIM, through the MDIC, has a significant role to play in enhancing the capacity of the local industry to explore new innovations in medical device products.

Meanwhile, he said last year the country's exports for the medical device sector reached RM30 billion, an increase of per cent compared to 2019.

The MDIC, which was launched today, was set up to enhance R&D capabilities for the local medical device industry and enable industry players to explore new innovations in their products to meet current and future needs. — Bernama

Sirim launches MDIC to enhance medical device R&D

Saturday, 30 Oct 2021 08:43 PM MYT
KULUM Oct 30 — Sirim Bhd, a leader in technology and quality solutions, today launched the Medical Device Innovation Centre (MDIC) to grow research and development (R&D) capabilities for the local medical device industry.

Sirim president and group chief executive Datuk Ahmad Sabirin Arshad said the setting up of the centre will help the industry find new innovations in medical devices to fulfil present and future market demands.

"The setting up of MDIC will enable cooperation with various smart partners encompassing medical device producer ministry and government agencies, international innovation centres and university research institutes. It will also air enhance access to the medical device markets and create a community of joint practices that manage and commerce new technologies," he said at the launch of MDIC in Kulim Hi-Tech Park here.

The launch of MDIC was officiated by Senior Minister and Minister of International Trade and Industry Datuk Seri Mohamed Azmin Ali. Sirim chairman Tan Sri Dr Ahmad Tajuddin Ali was also present at the event.

Ahmad Sabirin said MDIC was established following feedbacks obtained by Sirim from the medical device industry and related government agencies which among others raised issues and challenges faced by the industry.

The main challenges posed by all levels of the industry are limited resources in conducting product R&D due to lack financial resources, infrastructure facilities, and highly skilled workers.

Meanwhile, multinational companies are facing difficulties in securing human resources with specific expertise to aid their technological direction.

There are about 50 major local companies and 120 small and medium enterprises which focus on latex-based product such as surgical gloves, disposable products, and furniture used by hospitals, according to the Sirim chief.

"The issue of market access is faced by all categories of the industry, especially the stringent rules of European and U.S. markets. All categories of the industry are worried about the lack of technical and local talent to fulfil their needs," he said.

Three major programmes will be implemented by MDIC involving advanced technological innovations for local SMEs, Industry 4.0 technologies adopted by large local companies, and major vendor projects to be joined by multinational companies and local SMEs.

Sirim will strengthen the country's medical device ecosystem through testing, inspection, and certification as well as business strategy services in order to help local companies penetrate global markets, he said.

"MDIC will also implement manufacturing innovation incubator, open laboratory and 'teaching factory' which will ease network of public and private collaboration to be realised," he added.

Ahmad Sabirin said in view of the pandemic faced by the country, MDIC can be a platform for information and expertise sharing to enhance the medical device industry through technology and innovation, apart from supporting its ecosystem via infrastructure facilities and services. — Bernama

Budget allocation set to attract high-quality investments, says Azmin

Friday, 29 Oct 2021 09:07 PM MYT

Minister Datuk Seri Tengku Zafrul Abdul Aziz with Senior Minister of International Trade and Industry Datuk Seri Moh Azmin Ali before the 2022 Budget presentation at Parliament, October 29, 2021. — Bernama pic

Follow us on [Instagram](#) and subscribe to our [Telegram](#) channel for the latest updates.

KUALA LUMPUR, Oct 29 — An allocation of RM2.1 billion for programmes and initiatives proposed in Budget 2022 responded to the immediate need to revive the country's economy and attract new high-quality, high-tech and green investments.

Senior Minister cum International Trade and Industry Minister Datuk Seri Mohamed Azmin Ali said the government's efforts were in line with the 12th Malaysia Plan (12MP) and Malaysia's National Investment Aspirations (NIA) which place environmental, social and governance (ESG) elements.

"Among the initiatives contained in Budget 2022 to attract foreign direct investment (FDI) and increase local capacity include the Special Strategic Investment Fund to attract strategic foreign investment among multinational companies.

"This is specifically what can complete the industry value chain and drive the creation of knowledge-based jobs and the development of local small and medium enterprises (SMEs) with the proposed RM2 billion allocation," he told a press conference after the tabling of Budget 2022 by Finance Minister Datuk Seri Tengku Zafrul Abdul Aziz today.

Azmin said other initiatives to attract FDI included the Trade and Investment Mission to explore high-impact investment and export markets with an allocation of RM25 million; PMKS Halal Product Digital Branding and PMKS Halal Product Marketability Enhancement programme (RM25 million); and Industry4WRD to encourage technological transformation towards the fourth industrial revolution among SMEs (RM45 million).

Meanwhile, Azmin said investment inflows to Malaysia have been more labour intensive and caused the country to be dependent on foreign workers.

"Today alone we have more than five million foreign workers while I am confident that local youths have the potential skills if they were given the opportunity to hone their talents and skills," he said.

Hence, he said the incentives provided to woo strategic investment to Malaysia would not only bring high-quality investment, but also create high-quality jobs for young people.

"For this year, Miti is expected to attract RM200 billion in investment and create about 114,000 jobs. Most of the FDI is expected to come from the manufacturing sector, accounting for RM140 billion," he said.

He is confident that through the incentives proposed in Budget 2022, Miti will be able to attract investment for 2022 surpasses this year's performance. — Bernama

KERATAN AKHBAR 30 October 2021

Akhbar	:	China Press
Tajuk Berita	:	The second garbage interceptor in Malaysia will be operated soon, which can clean up the plastic waste in the river.
Muka Surat	:	2

(巴生29日讯) 全马第2台垃圾拦截浮台 (Interceptor) “005号”，即将下水到巴生河“清理”垃圾了！

根据《当今雪州》报道，雪兰莪海洋关口计划 (SMG) 在官方面子书指出，州政府与荷兰非营利组织Ocean Cleanup机构的合作，取得了重大成就，相信可以实现5年内解决全球1000条受污染河流的远景，巴生河就是其中一条。

雪州海洋关口计划董事于周四 (28日)，前往巴生港口参观升级版垃圾拦截浮台005号的构建工程，并对施工进度感到满意。

该公司指出，全新的垃圾浮台拦截器，近期将在巴生河的河口投入测试。

“第1台垃圾拦截浮台，于2019年投入运作，在全长56公里的巴生河下游，作为雪州海洋关口的河流管理解决方案的努力之一，垃圾拦截浮台005将被纳入此先进的生态系

全馬第2台·清河中塑料垃圾攔截浮台將啓用

统内，进一步推动雪州振兴巴生河的愿景。”

已達致成果

雪州政府自2016年起致力清理巴生河，迄今已清除超过7万5000公吨垃圾量，证明州政府、地方政府及各非政府组织不断工作已经达致成果，如今进一步扩大努力取得更大的成就。

雪州大臣机构透过子公司-Landasan Lumayan有限公司，负责执行“雪州海洋关口”计划，其中一主要项目是提升巴生河的水质，把沿岸城镇打造为精明经济区，带动城市复兴计划，以成为雪州的新经济来源。

至于垃圾拦截浮台 (Interceptor) 是由荷兰非政府组织-The Ocean CleanUp创办人波恩史考特所发明，该垃圾拦截浮台采用太阳能，可以清除河流中的塑料，旨在防止更多的垃圾流入海洋内，危害自然生态。

Akhbar	:	China Press
Tajuk Berita	:	The house tax payment rate collected in Ampang Jaya reached 77.5%, totaling RM62.7 million.
Muka Surat	:	5

(安邦29日讯)截至9月30日,安邦再也区本年度的门牌税缴付率达77.5%,市议会收获款项为6270万令吉,相比去年的税收已有提升。

安邦再也市议会主席莫哈末弗兹指出,随著雪隆区在国家复苏计划迈入第4阶段,政府开放更多领域让经济恢复运作,居民也纷纷缴税,使得市议会的税收也有所增加。

他说,至于被拖欠税务方面,市议会收获1350万令吉,超越了市议会设定的1200万令吉目标,缴付率达112.80%。

他说,安邦再也市议会下半年的门牌税目标为4200万令吉,缴付率达79%。

安邦再也門牌稅

繳付率77.5%進賬6270萬

“疫情期间,社区各领域阶层都受到牵涉,不过市议会仍需要获得税收,才能继续建设与服务社会。”

莫哈末弗兹今日出席“响应缴付门牌税”活动,为市议会车辆的挡风镜张贴宣传贴纸,这么指出。

民众可以扫描这些车辆贴纸的二维码,登录网页并通过线上或电子付费方式,缴付安邦再也市议会的税务。

莫哈末弗兹说,市议会设下关键绩效指标

(KPI)要提升民众满意度,倘若税收无法达标,将导致市议会提供的服务受影响。

他指出,今年5月起,市议会通过各种管道包括网页、面子书、电邮、横幅等方式,积极引导及灌输民众缴税意识,顾虑居民履行缴税责任,才能享有市议会的服务。

出席者包括安邦再也市议会秘书兼法律顾问佐哈里、税收专案小组主任莫哈末沙末、市议会执照组主任玛丽娜等。

中国报 C7

■李富豪巡视非法摊档，并要求市议会解决非法摊档所带来的问题。

李富豪：减少非法小贩问题

■苏丹苏莱曼镇工业区，到处都是非法摊档，严重影响市容。

工廠需設員工食堂

(巴生29日讯)为了解工业非法小贩问题，巴生市议会决定严格执行工厂内设置员工食堂的条例，避免工厂继续成为非法小贩的潜在顾客！

巴生市议员李富豪指出，工业区非法小贩问题非常严重，他所负责的苏丹苏莱曼镇工业区，估计就有不少非法小贩，对地方环境带来破坏。

他说，小贩摊档往往非法搭建，有者在路边、转角处等，还有霸占道路和沟渠，工业区重型车辆穿梭，或停泊在路边光顾非法小贩，导致道路环境充满盲点、交通阻塞，处处暗藏杀机，非常危险。

“小贩也带来食物安全、卫生等问题，因此不得不正

视。”
 他说，非法小贩太多，也对缴付租金、执照费的合法小贩不公平，存在抢客问题，让合法小贩面临损失。

存食物衛生問題

他指出，市议会其实有一项条例，即大型工厂必须内设员工食堂，惟多年来似乎没有严格执行，导致员工光顾非法小贩，以致非法小贩问题越来越严重。

他说，市议会在日前的会议上，已议决严厉实行这项条例，未来所有新建工厂在，都必须设立员工食堂。

他指出，厂家过去没有遵守这项条例，主要是因为工业地价格昂贵，相信厂家都选择把土地建设在利益建筑之上，忽视设立食堂的条例。

■市议会对于非法摊档绝不妥协，并对冥顽不灵的摊档展开拆除行动。

李富豪指出，市议会将在苏丹苏莱曼镇工业区，新建26个摊档，并优先让当地非法小贩迁入并合法化。
 他说，其中16间摊档已于9月动工，预计于2023年3月完成，耗资约189万令吉。
 “另外10个摊档，涉及雪州发展机构的土地，我们会处理好土地事宜后，再向房屋部和雪州经济策划单位申请拨款后，才能开始兴建工程。”
 他说，当地目前现有的12个摊档，只有2间有小贩租借。
 他劝请非法小贩不要挑战法律，迁入合法摊档，避免遭到对付，市议会早前便已经拆除了多个非法摊档。

200萬重鋪雙溪龍路 提升校前交通安全

（加影29日讯）加影市议会透过大马道路档案系统（Marris）200万令吉拨款重铺双溪龙路，双溪龙两间学校前面的道路安全也获一并提升。

行动党加影市议员官世峰指出，双溪龙路之前有许多路洞，尤其是蚬壳加油站附近的道路，之前市议会只能以补路洞的方式维修，这次则以大马道路档案系统的拨款，采取大道规格重铺整条道路。

他说，铺路工程包括双溪龙两所学校，即华小和国中前面的路段，有机会一并提升学校前的交通安全，如增设学校门前的路拱和重画减速线以及黄格。

他说，铺路工程从第7区前面一直到蚬壳加油站，除了小部分未移交的道路之外。他今日与两间学校的家协代表一起巡视铺路工程时，这样指出。

出席者包括双溪龙华小协主席李国魂、副主席罗宗荣、双溪龙国中校友会主席谢傅安等。

李国魂要求市议会，在学校前增设学校的指示牌，提醒驾驶人士放慢车速。

■官世峰（左4）与学校家协代表巡视提升后的道路，右起是罗宗荣、谢傅安和李国魂。

■拱。双溪龙路重铺后，小学前面增设了路。

■双溪龙华小前面的道路安全提升后，准备迎接学生回校上课。

加影市會派員檢查 促商家速更新執照

（加影29日讯）加影市议会持续上门检查商业执照，逾期更新执照的商家，受促尽快更新。

加影市议会执法组官员昨天到乌冷斯里南丁花园检查商家的商业执照，有7间商店受检查，2间商店已关闭。

执法员之后到士毛月丽景湖镇（Bdr Tasik Kesuma）继续展开检查，在12间受检查的商店中，发现只有5间商店持有执照，其余7间无执照或执照逾期。

执法员昨天也到蕉赖南部一家商场检查商场内的执照，发出2张罚单给违规商店。

接投訴受狗隻干擾

加影市议会在面子书贴文指出，近期许多民众投诉社区狗只干扰问题，执法员分别到无拉港蕉赖再也花园、英比安英达花园以及敦胡先翁镇3地执法，发出干扰信和警告信给狗主。

执法员也针对民众投诉加影火车站

■非法广告横幅必须拆。

的小贩违例营业，充公小贩摊位。

有民众投诉无拉港帝沙丽亚商业中心有烂铁买卖活动，执法员采取充公行动。

另外，执法员到敦胡先翁镇一带巡视和拆下非法广告横幅。

■余深恩（黑衣者）与承包商及市议会官员一起巡视工程地点，了解最后准备工作。

土拉央再也第17路 下週提升店鋪前溝渠

（土拉央29日讯）全长460公尺的土拉央再也第17路，店铺前沟渠提升工程将于下周展开，受影响的59间店铺业主受促配合，确保工程如期完工。

土拉央市议会第12区市议员余深恩周四联同承包商及市议会工程部官员巡视有关地点时透露，由于沟渠多处破烂容易积水，加上沟渠盖损坏，市议会通过大马路档案系统（Marris）拨款35万令吉进行提升。

59業主受促配合

他补充，承包商将于下周一派发传单给受影响的店铺，并在2天后开工。

“工程将从蚬壳油站（SHELL）旁的修车行，开始至E1美食中心结束。”

根据初步计划，承包商每5天将完成3间店铺前的沟渠及加盖，接著才移至下

阶段，预计耗时1个月半至2个月。

他说，由于沟渠下方有水管及排污管，让承包商施工时面对一定阻力，加上店铺上下货、泊车等交通问题，也都是承包商所要面对的。

“无论如何，只要获得所有业主充分配合，相信工程能在预期内完成。”

余深恩也建议承包商拟定工程时间表及更新进度，好让各方清楚与了解，避免一些不必要的误会。

沟渠每隔10尺会开个洞口，以方便住后的清洁工作。

余深恩指出，基于行管令限制，这项计划拖至今年最后一季才进行，工程进行时带来诸多不便，恳求业主的谅解。

他也向市议会提呈建议书，维修第17路中间的沟渠及重新规划街灯，好让这里整齐与美观，祈望明年一一落实。

■土拉央第17路工程全长460公尺。

万津直落拿督地庭判处一没缴清停车罚单的车主罚款或监禁，并发出 5 张逮捕令。(MPKL 官方面簿专页照片)

不还停车罚单 车主被控

(瓜冷 30 日讯) 车主看过来，不还停车罚单，地方政府将毫不客气把你提控上庭！

日前，一名金融机构书记因忽视停车罚单而遭瓜拉冷岳市议会起诉，结果被判处罚款 250 令吉或以 5 天监禁替代，法官同时也批准发出 5 张逮捕令给抵触同样罪行的人士。

瓜冷市议会官方面簿专页帖文指出，一名任职私人金融机构的书记因忽视瓜冷市议会开出的停车罚单而遭提控上庭，最终被万津直落拿督地方法庭判处罚款 250 令吉或以 5 天监禁替代。有关人士在庭上俯首认罪，并选择缴付罚款后

离开法庭。

贴文也指出，该名遭提控的车主，之前已接获市议会执法组开出总共 63 张的罚单。

此外，直落拿督地方法庭推事凯鲁法希当天也批准发出 5 张逮捕令给另 5 名触犯同样罪行及遭提控的人士。

当天代表瓜冷市议会负责有关提控者为瓜冷市议会高级检控官哈斯里查，并由另一名检察官阿末拉沙里从旁协助。

有网民留言表示，“早知如此，何必当初？”，因为没有缴清停车罚单而遭提控或监禁，实际当时就应该直接缴付那一点点的停车费吧。

新闻特区

巴生峇都勿拉

(巴生 30 日讯) 趁疫霸占住宅区操场，多重违例人士终于遭对付！

这名居住峇都勿拉的居民，于去年行动管制令开始，就逐步侵占当地住宅区一座操场，并占用约三分之一的面积来搭建屋棚、铺洋灰、建笼子等违章建筑，以作为养鸡、宰鸡、包装葱蒜、卖杂货、卖酒等“杂货供应商”用途。

经居民不断投诉后，巴生市议会最终于本周一（25 日）晚展开取缔行动，向违例业者开出 2 张罚单及充公所售酒精饮料。

巴生市议员颜友鹰指出，有关地点是在峇都勿拉美华花园（Taman Mewah）的罗弄双溪布都斯 22 路（Lorong Sungai Putus 22），该人士

霸占操场开杂货店

多重违例者遭对付

的非法行为不仅剥夺居民的休闲和运动空间，而且还衍生种种卫生问题。

“该居民虽有向大马公司委员会申请准证，但是却没有获得市议会发出营业执照，仍属于违法经营，而且更重要的是占用公共操场来非法搭建建筑，以充当杂货店。”

他说，对方公然养鸡和宰鸡，还有无牌售卖酒类饮料，抵触多重罪行，执法人员援引地方政府法令（巴生市议会）2007 年食物处理附属法令和 2007 年贸易、商业及工业执照附属法令开出 2 张罚单。

“同时，执法人员也援引地方政府法令（巴生市议会）2007 年食物处理附属法令，充公所有酒精饮料。”

违例业者面对执法人员取缔时，也给予全面配合。

颜友鹰：须立即清空建筑物

颜友鹰指出，执法人员也向该名人士发出警告，不得继续在该处营业，同时必须尽快清空有关违法搭建的建筑物，从而还原供居民运动和休闲的操场空间。

他说，当天执法过程顺利，该名居民也给予配合，因

此执法人员也给予其一段时间，以自行清空霸占操场的部分，否则市议会将采取进一步行动。

他强调，任何公共区域，包括操场都不能霸占违建任何建筑，因此警告市民遵守条例，否则接获市议会罚单。

KERATAN AKHBAR 31 October 2021		
Akhbar	:	Guang Ming Daily
Tajuk Berita	:	MPK invites politicians and resident associations to discuss on solutions for traders handling solid waste
Muka Surat	:	4

(巴生30日讯) 巴生市议会主席阿末法兹里披露，每个国人每天平均制造1.5公斤垃圾，因此政府面对最棘手的问题就是如何持续性处理固体废料。为了更有效解决地方上固体废料或垃圾问题，巴生市议会特别邀请巴生各区州议员和居协代表前来参与圆桌会议，希望集思广益探讨出更有效的解决对策。

■梁德志建议每个地区可固定时间置放大型垃圾槽，以方便周边的民众丢大型垃圾，从而避免民众乱丢垃圾，制造更多垃圾问题。
 (照片由市议会提供)

巴生市會邀約議員居協 商處理固體廢料方案

这项圆桌会议活动于周五在巴生市议会韩沙礼堂举行，共获得155位人民代议士和居协民代表参与讨论，其中出席的州议员有巴生港口区州议员阿兹米占、班达马兰区州议员梁德志、圣淘沙区州议员古纳拉加和巴生中路区州议员莫哈末法克鲁兹。

阿末法兹里主持圆桌会议时说，巴生市议会需处理的固体废料分成好几个种类，包括住家固体废料、进口固体废料、商业固体废料、机构固体废料、建筑固体废料、工业固体废料以及公共固体废料。

“垃圾土埋场日趋饱和，这成了巴生或大马其他地区需处理的问题。不完善的收垃圾制度，也促使了垃圾土埋场的垃圾越来越多。”

忧土埋场不堪负荷

他直言，如果按这样的趋势下去，令人担忧现有的垃圾土埋场很快就会不堪负荷，寿命殆尽。

“垃圾承包商没有效率或按时处理固体废料，也是造成垃圾问题的原因之一。如果没按时清理

垃圾，就会衍生环境卫生问题，包括飘臭或引来蚊虫滋生，甚至传染疾病。”

他认为，法律途径是其中一个可以达到控管效果的措施，尤其地方政府持续性执法，能警惕各造更谨慎处理垃圾问题。

不过他也认为，除了法律途径，举办回收活动也有助于提高人民的醒觉意识，况且资源回收还能降低固体废料丢弃的问题。

班达马兰区州议员梁德志说，尽管达鲁益山清理承包商有提供前来处理大型垃圾的服务，但巴生许多民众并不知情，因此一些民众选择将大型垃圾丢弃在路旁或非法垃圾堆。

他建议垃圾承包商，不妨设一个固定时间，即可在每一区每月一次置放大型垃圾槽，以提供周边的民众丢弃大型垃圾，或许就能有效解决民众乱丢大型垃圾恶习。

另外，梁德志也建议市议会加强执法工作，取缔非法垃圾垃圾堆黑区，惟有揪出及严惩垃圾虫，才能“杀鸡儆猴”，杜绝其他人仿效。(BPK)
